To register, please click here: [http://www.buchsys.de/bms/angebote/aktueller\\_zeitraum/index\\_bereiche.html](http://www.buchsys.de/bms/angebote/aktueller_zeitraum/index_bereiche.html) or copy and paste the following link into your internet browser or visit our homepage at [www.metropolitanschool.com](http://www.metropolitanschool.com)

- Please register early to avoid disappointment. Enrollment is processed on a first come, first serve basis. Each student is allowed to sign up for two activities: workshops and fieldtrips. “Open offers” do not require registration. Thank you in advance for your understanding.
- Please submit any additional costs for workshops or field trips to a CCEP teacher or give it to your child to bring to school.

### Workshop & Field Trip Information (FAQ)

Q) When should I register my child?

A) Please register as early as possible. We process enrollment on a first-come, first-served basis.

Q) How many activities can my child sign up for?

A) One workshop or two field trips per student per holiday program.

Q) What about open offers?

A) They require no registration. Open offers can only take place with a minimum of 6 students.

Q) What if there are additional costs during the trip or workshop?

A) We request that you submit the payment to a CCEP teacher or give it to your child. The school does not take responsibility for covering extra costs and transportation tickets and this could result in the child not being able to participate. As this is disappointing both for them and their peers, we ask for your understanding and support in this matter.

Q) What should my child bring along?

A) A backpack, clothes for rainy or cold weather when appropriate, sunscreen, a hat and of course, food and a filled water bottle!

Q) What if they are unable to attend?

A) Once you sign up for either a workshop or field trip, attendance is mandatory. However, in the event that the child is sick or cannot attend due to unavoidable circumstances, we request you inform reception via email or telephone as soon as possible so other students can participate.

Tim dreams of becoming a super star. But he is lonesome, unfit, struggles playing soccer and doesn't like himself. His mother calls him „Schnubbel“ in public. His classmates Samira, Leila and Bodo tease him whenever they can. When they are too mean, Tim starts flailing and everything becomes worse. It would be a hopeless situation, if it weren't for the crazy, singer and convenient store owner Johnnie. He shows Tim how one can use words to make music: “Music is all you need!” Suddenly everything changes. Tim runs away and is followed by Samira, Leila and Bodo; they all want to know his secret. Impossible mothers, helpful lebanese uncles and a teachable teacher help fuel this topsy - turvy story.
