### Workshop & Field Trip Information (FAQ)

Q) When should I register my child?

A) Please register as early as possible. We process enrollment on a first-come, first-served basis.

Q) How many activities can my child sign up for?

A) One workshop or one field trip per student per holiday program.

Q) What about open offers?

A) They require no registration. Open offers can only take place with a minimum of 6 students.

Q) What if there are additional costs during the trip or workshop?

A) After a confirmed booking, we deduct the additional costs directly from your bank account and/or you receive an invoice. The school does not take responsibility for covering extra costs and transportation tickets and this could result in the child not being able to participate. As this is disappointing both for them and their peers, we ask for your understanding and support in this matter.

Q) What should my child bring along?

A) A backpack, clothes for rainy or cold weather when appropriate, sunscreen, a hat and of course, food and a filled water bottle!

Q) What if they are unable to attend?

A) Once you sign up for either a workshop or field trip, attendance is mandatory. However, in the event that the child is sick or cannot attend due to unavoidable circumstances, we request you inform reception via email or telephone as soon as possible so other students can participate.

Date & Time: April 18th, 2019 | 9:30am - 12:30pm

Fees: 29€

CCEP Teacher: Harriet Poole, BMS Parent & Art Educator

What is art journaling? How can a little blank book be used as an outlet for self-expression and to build self-confidence? Through 'hands on' art and word play, we explore thoughts and feelings, hopes and gratitudes through this introduction to visual journaling. We gain inspiration and methods to nurture growth, and learn how to develop a creative mindset through experimentation with mindful art processes and free writing.

Using varied prompts we explore mixed media painting, drawing, stencils and collage all interwoven with our words in the first few pages of the journal. As inspiration we explore and discuss the work of artists in the field of journaling, taking away prompts that can provoke the next creative journeys into the journal. We encourage students to build a calm reflective space in a portable little art journal of personal ideas, away from the digital.
