## Summer Vacation 2017 at BMS

**Registration: Sunday, July 2nd at 08.00pm - Friday, 7th at 09.00am**

To register, please click here: [http://www.buchsys.de/bms/angebote/aktueller\\_zeitraum/index\\_bereiche.html](http://www.buchsys.de/bms/angebote/aktueller_zeitraum/index_bereiche.html)

or copy and paste the following link into your web browser or visit our homepage at [www.metropolitanschool.com](http://www.metropolitanschool.com)

Please register early to avoid disappointment. Enrollment is processed along a first-come, first-serve basis. Each student is allowed to sign up for two activities: two activities per vacation period. Open offers do not require registration. Thank you in advance for your understanding. Please submit any additional costs for workshops or field trips to a CCEP teacher or give it to your child to bring to school.

### Workshop & Field Trip Information

Once you sign up for a workshop, regular attendance is expected. If you registered for a field trip or workshop with additional fees, please ensure that either you or your child gives a CCEP teacher the required expenses. This is an important point that necessitates your understanding as we cannot cover extra costs for students. Unfortunately, if you or your child forgets the requisite money or tickets, he or she cannot participate in said field trip or workshop. Apart from that, your child should bring a backpack with a towel, sunscreen, a hat, food and drink every day. For swimming, your child needs a signed parent or guardian's permission slip.

### Frequently Asked Questions (FAQ)

Q) When should I register my child?

A) Please register as early as possible. We process enrollment on a first-come, first-serve basis.

Q) How many activities can my child sign up for?

A) One workshop or two field trips per student.

Q) What about open offers?

A) They require no registration.

Q) What if there are additional costs during the trip or workshop?

A) We request that you submit the payment to a CCEP teacher or send it with your child. The school does not take responsibility for covering extra costs and transportation tickets on field trips and workshops and this could result in your child not being able to participate. As this is a disappointment for them and their peers, we request your understanding and compliance regarding this matter.

Q) What should my child bring along?

A) A backpack, clothes for warm/hot, rainy or cold weather as appropriate, and a snack, drink and sunblock.

Q) What if they are unable to attend?

A) Once you sign up for either a workshop or field trip, attendance is mandatory. However, in the event that the child is sick or cannot attend due to extenuating circumstances, we request you inform the reception via email or telephone as soon as possible. In this way, another student may take their place.

CCEP Teachers: Julia Ehni & FSJ team

The world is full of adventure and inspiration. In this workshop, students are offered a forum in which they can work in an informal and unrestricted way. Using various materials and techniques, they can try out new things, discover passions, and jumpstart their curiosity. The workshop will offer talks and artistic examples in order to stimulate and support students' creation of their own fantasy world. We will decide on a daily basis where we will work – whether in the art room or a park – and which type of materials are best to use. Within this context, we will train creativity, self-awareness, artistic expression and offer participants a playful entry into the world of the art.

### WORKSHOP BOULDERN

12:30pm-5:00pm

### WORKSHOP ART

**in Cooperation with Berlinische Galerie**

Grades: All Grades

Participants: 12

Date: July 24th-26th, 2017

Ready to Leave: 9:00 am

Back to School: 15:00pm

Fees: 10,00€ & BVG tickets (AB)

Art Teacher: Zara Morris

CCEP: Julia Ehni

**A Trip into Strangeness:** The point of departure for this workshop is the exhibition „Faraway Focus: Photographers Go Travelling (1880-2015)“ at the Berlinische Galerie. Students will discover how photographers such as Robert Petschow, Ulrich Wüst and Karl von Westerholt transform familiar places into something unusual or strange. Inspired by these new ways of seeing, students will create their very own images. Outside of the museum, participants will shoot their own photos offering new perspectives on everyday phenomena: A playground will become a weird alien landscape; a bus stop a wonderfully odd travel destination. The photo series will form the basis for travel brochures documenting exclusive excursions to unusual destinations in the museum's surroundings. This is a trip not to be missed!

### **WORKSHOP SHORT FILM**

Grades: Grade 3 and Up

Participants: 10

Date & Time: July 24th – 28th, 2017

1:00pm-3:00pm

CCEP Teachers: Sigrid Oberer & Ali El-Tayar (FSJ)

In the workshop, students will create a short film. The process will include writing a short story, turning it into a script, and drawing a storyboard. During the actual filming, participants will have different film crew positions such as director, cinematographer, costume and stage designers, sound design, film editing, and actors. The film will be shot on iPads and edited with iMovie. Please bring a USB-stick or SD-Card if you would like to take home the finished product.

### **OPEN OFFER NEIGHBOURHOOD**

Date & Time: July, 20th - 28th 2017

August, 23rd - September, 1st 2017

10:00 - 12:00pm & 1:30pm-3:30pm

Information: Upon arrival of the specific day, please sign up at check-in if you would like to participate. Each day, we will explore different playgrounds in our neighbourhood such as Monbijoupark, Weinbergsweg, Krausnickpark, and the playground on Gipsstraße.

### **WORKSHOP JEWELRY DESIGN**

Grades: At Least 7 Years Old

Participants: 12

Date & Time: August 23rd - Sept. 1st 2017

10:00am - 12:00pm

CCEP Teachers: Stefanie Groß & Marta Erber

Creativity and fantasy are the ingredients for successful jewelry design. Whether students want to create earrings, bracelets, armbands, keyrings, broochs, or badge, all items and ideas are possible! In this workshop, students will cultivate handcrafting skills, imagination, and ingenuity. Students will primarily use materials sourced from nature: These are objects such as cork, mussels, stone, and much more.

### **WORKSHOP STENCIL**

Grades: Grade 3 and Up

Participants: 10

Date & Time: August 23rd-25th 2017

10:00am - 12:00pm

CCEP Teachers: Sebastian Röhm & Anisa Shaikh

The stencil template is one of the oldest art forms. As early as the Stone Age, humans were already marking their caves by applying color to them. In the stencil workshop, the children will have the opportunity to design their own logos and motifs and to decorate T-shirts, skateboards, and other objects. With options from monochrome motifs to multi-colored images, the limit is students' imagination.

### **WORKSHOP WATER COLORS**

Participants: 12

Date & Time: August 28th - Sept. 1st 2017

10:00am - 12:00pm

CCEP Teachers: Anisa Shaikh, Sebastian Röhm, Julia Ehni

This workshop will begin with a basic introduction to water colors and familiarize themselves with the actual materials. Afterwards, they will use their ideas to experiment with water colors in various ways, be it the more traditional methods or incorporating other media. At the end of each session, participants will have a finished piece which can be discussed as a group and then placed into their personal portfolios.
