Workshop & Field Trip Information (FAQ)

Q) When should I register my child?

A) Please register as early as possible. We process enrollment on a first-come, first-served basis.

Q) How many activities can my child sign up for?

A) One workshop or one field trip per student per holiday program.

Q) What about open offers?

A) They require no registration. Open offers can only take place with a minimum of 6 students.

Q) What if there are additional costs during the trip or workshop?

A) After a confirmed booking, we deduct the additional costs directly from your bank account and/or you receive an invoice. The school does not take responsibility for covering extra costs and transportation tickets and this could result in the child not being able to participate. As this is disappointing both for them and their peers, we ask for your understanding and support in this matter.

Q) What should my child bring along?

A) A backpack, clothes for rainy or cold weather when appropriate, sunscreen, a hat and of course, food and a filled water bottle!

Q) What if they are unable to attend?

A) Once you sign up for either a workshop or field trip, attendance is mandatory. However, in the event that the child is sick or cannot attend due to unavoidable circumstances, we request you inform reception via email or telephone as soon as possible so other students can participate.
