# Lapoint Surf Camp

**Fall Vacation 2018**  
21. - 28.10.18  
Grades 9-12

Dear BMS Community,

This fall vacation we are excited to offer a wonderful opportunity for students to take part in a week long intensive surf camp in Portugal. It has been said that salt water can cure anything. A week of surf lessons, new friendships, riding waves and taking in warm sunsets on beautiful sandy beaches is definitely a salve for the stresses of daily life.

Never caught a wave before? No problem. Located in one of Europe's most popular surf destinations, Lapoint Surf Camp combines stylish accommodation, top level coaching and quality waves for the ultimate surf holiday. Lapoint is known for its laid-back, welcoming atmosphere and has a large socializing area where students can interact with other surfers from all over the world. The camp is situated just 15 minutes walk from Ericeira's town centre which is the idyllic setting for shops, restaurants and where the Lapoint campers usually meet for a post-surf beverage and wander through the city.

This camp offers a whole host of packages from professional coaches tailored to suit every level of surfer, from total beginners to those wanting to perfect their skills.
