Workshop & Field Trip Information (FAQ)

Q) When should I register my child?

A) Please register in the given period.

Q) How many activities can my child sign up for?

A) Please sign up for as many as your child likes to participate. Please make your selections by entering a preference number next to each activity you would like to join - 1 is your first choice, 2 is your second choice, etc. across the week.

Q) What about open offers?

A) They require no registration.

Q) What is the minimum number of participants for a fieldtrip?

A) We require a minimum of 5 participants

Q) What if there are additional costs during the trip or workshop?

A) We request that you submit the payment to a CCEP teacher or give it to your child. The school does not take responsibility for covering extra costs and transportation tickets and this could result in the child not being able to participate. As this is disappointing both for them and their peers, we ask for your understanding and support in this matter.

Q) What should my child bring along?

A) A backpack, mouth and nose cover, clothes for rainy or cold weather when appropriate, sunscreen, a hat and of course, food and a filled water bottle!

Q) What if they are unable to attend?

A) Once you sign up for either a workshop or field trip, attendance is mandatory. However, in the event that the child is sick or cannot attend due to unavoidable circumstances, we request you inform reception via email or telephone as soon as possible so other students can participate.
