

PRIMARY AFTER SCHOOL CLUB PROGRAM - SEMESTER 1 2025

Our club program offers our students a dynamic and diverse selection of clubs, workshops, and sports to create an after school program based on the interests and creative talents of our students. Each year BMS invites students to select clubs, be it dance, music, science, robotics, language courses, chess, team sports, or any of the other diverse activities designed for every age group. Our club program below will begin on September 24, 2025 and details on club activities as well as the registration information can be found on SOCS, accessed via the Parent Portal.

*Please note that all BMS Clubs are subject to change at short notice.

 Clubs with this symbol are offered in collaboration with our partner, Prime Youth. Registration to these clubs is only valid for one semester.
 All other clubs run for the whole year.

Music Lessons: We also offer instrumental music lessons through our partnership with ‚Klangkunst Musikschule Berlin‘ and the ‚Internationale Musikschule Berlin. We provide rooms for this purpose to the best of our ability but school activities take priority when it comes to room reservations. We ask that families contact the music schools directly to arrange lessons and contracts. BMS has no influence over these matters.
