# 2026 Festival of Learning

EXPERIENCE OUR EARLY LEARNING CENTER &  
PRIMARY SCHOOL IN ACTION ON MARCH 13TH, 2026.

We warmly invite prospective families to experience our Festival of Learning — a special event where our current students and families celebrate learning in action. Explore our Early Learning Center (ELC) and Primary School while immersing yourself in our vibrant learning environment.

Your visit begins with a welcome and registration at Reception before being guided to the Auditorium for a short introduction by our leadership team. From there, you can explore open classrooms and specialist areas, where students and their families engage in hands-on learning.

As you walk through our spaces, you will see inquiry-based learning in action and gain insights into our educational philosophy.

If you would like to learn more about our curriculum and programs in detail, we encourage you to join one of our online Open House events, where we provide a full overview of our academic offerings.
