# Fall Vacation 2022 at BMS

## Registration:

Please note that registration for the general Vacation Program is not needed. The program is available daily from 8:00am to 6:00pm for all Primary Students. However, we recommend students to be on campus before 9:30am since a lot of activities begin at 10:00am.

## Workshop & Field Trip Information (FAQ)

Q) How do I register my child for workshops and field trips?

A) Please use your 'Parent User ID' for SOCS (Club Program Allocation Software) to select your child's preference choices workshops or field trips. The selection period will run over several days. Once the period is over, the SOCS software will allocate students for workshops and field trips based on availability. The CCEP Office will notify you via email and hereafter you can see the activities your child has been allocated to on SOCS website, see 'Activities'. SOCS account.

Q) How to select an activity (workshops and field trips) preference?

- a. Go to activities.
- b. Choose your preferred day.
- c. Indicate a preference for each activity, with number 1 being your top preference. Important note: The software requires a waiting list, please rank it with the least preferred choice.
- d. Repeat this for all days your child wants to attend an activity.

Q) How many activities can I register my child for?

A) You can register your child for as many activities as you wish. However, SOCS software will fairly allocate available spots for workshops and field trips among all students who submitted preference choices, which will determine the number of activities your child can participate in.

Q) What about open offers?

A) You do not need to register your child for open offers using SOCS. Students can register for open offers on sign-up sheets when arriving in the morning. The sign-up sheets are posted on boards located by the main staircase on each floor.

Q) What if there are additional costs during the field trip or workshop?

A) Ideally, you submit the payment to a CCEP Educator or the CCEP Office days in advance or have your child bring it on the day of the workshop or field trip. For field trips where using public transportation is needed, please make sure that your child brings a valid Berliner Schülerschein (Student ID) which allows your child to travel free of charge with public transportation. If your child does not have a Schülerschein on the day of the field trip, please make sure that your child brings money to cover for BVG tickets. For more information regarding Schülerschein please contact Primary School Assistant, Sonia Pires: [sonia.pires@metropolitanschool.com](mailto:sonia.pires@metropolitanschool.com).

Q) What should my child bring along?

A) A backpack, clothes for rainy or chilly weather when appropriate, sunscreen, a hat and of course, food and a filled water bottle!

Q) What if they are unable to attend?

A) Once you have received a notification that your child has been selected for either a workshop or field trip, attendance is mandatory. However, if your child is sick or cannot attend due to unavoidable circumstances, please notify us as soon as possible via email [ccep.office@metropolitanschool.com](mailto:ccep.office@metropolitanschool.com).
