

## BMS CLUB PROGRAM 2021/22

Our club program offers our students a dynamic and diverse selection of clubs, workshops, and sports to create an afterschool program based on the interests and creative talents of our students. Each year the BMS CCEP Team invites students to select clubs, be it dance, music, science, robotics, language courses, chess, team sports, or any of the other diverse activities designed for every age group. Our club program below will begin on September 15, 2021 and details on club activities as well as the registration information can be found in our CCEP Handbook and online at our school website.

\*Please note that all BMS Clubs are subject to change.
